Ann is a member of The American Society Of Marine Artists, Oil Painters of America, American Women Artists, Society of Animal Artists, and The American Impressionist Society. Ann paints full time and lives in Georgia. *"Painting is for me a search for beauty. I am especially intrigued by the anatomical power and vitality of horses. Their sheer intensity can be seen through the rendering of light as it reflects from a sweat drenched coat or the amber gaze of a horse at day break. Conveying the vibrations of nature is my goal, and it is my hope that the viewer's alliance with the painting brings to art its truest beauty."*
