# FINE ART AUCTION

## Anne Brodie Hill

Signature member of American Society of Marine Artists & Georgia Watercolor Society

Anne has been painting since the 1960's and is inspired by marine subjects in both fresh and salt water. She enjoys working in watercolor, acrylics, oils and color pencil in a realistic style, and often will start with an abstract beginning on paper and canvas.

Moving to Forsyth County, Georgia in 1995, Anne traveled by boat around Lake Lanier every weekend. From the Marina where she and her husband kept their 72 foot houseboat, Anne started a series of paintings of the Bridges of Lake Sidney Lanier, Georgia.

She has designed a series of Lake Lanier Holiday cards, and a series featuring the four seasons of the Downtown Gainesville Square at different times of the city's history.

Her work may be seen at Gallery on the Square, 118 Main Street, Gainesville, GA , and the Quinlan Visual Arts Center, 514 Green Street, Gainesville, GA.

Her watercolor painting the "Brilliant" was selected to be included in the Northlight book, Splash 7 and Splash Retrospective, 20 years of Contemporary Watercolor Excellence.

Her watercolors and oils have been included in many American Society of Marine Artists (ASMA) National and Regional Exhibitions in several museums across the USA. She has also been included in the Mystic Maritime Gallery International Exhibitions in the 1990's.

She served as ASMA Vice President in 2016 and 2017 and has been on the Board of Directors since 2011.

She also served as Vice President and President of the Georgia Watercolor Society in 2002 -2003.
