From the very first cave painting, to the art and photography in modern magazines, nature has been a re-occurring theme in art around the world. No matter the current fashion in the art community, the natural world remains a constant source of inspiration. Art Camp **The Art of Nature** will study the importance of nature in the art world and campers will create imaginative and inspired works of art that echo the beauty of the out doors.

Tuition Fee includes all supplies and a camp T- Shirt with this year's custom design. All campers ages 5-14 years old are welcome. Campers must be age 5 as of June 1, 2007. Camp is from 9:00 A.M. to 2:00 P.M. daily with a family reception on the final Friday of each session at 12 noon.

THE hottest Summer activity in town is back! Summer Art Camp has been a tradition for North Georgia families for over a decade; an activity your child won't want to miss. Call today to reserve your place in one or more of our **5** magical sessions.
