

'Paint the Town' suggested sites

Participants may paint any site in the Gainesville area – as long as it's public or participants have permission to paint on private property. Below is a list of suggested sites. Please respect private property and be especially careful when working near busy streets. Quinlan Arts Inc. is in no way responsible for any personal injuries, damage or theft of personal property while artists are painting on location on or off of the Quinlan premises during the "Paint the Town" event on Saturday, May 19th 2007.

1 Old Pavilion: Just past American Legion. Water views, beautiful structure. Ok to use American Legion restroom.

2 1996 Olympic Rowing Venue on Lake Lanier: Boats, beautiful section of lake, colorful viewing stand.

3 Clark's Bridge Park: Lake views, parking, restrooms, picnic area

4 Riverside Military Academy: Castle-like building with view of lake and mountains, parking on street.

5 Pearce Auditorium/Entire Brenau campus: Beautiful architecture, parking on street.

6 Quinlan Visual Arts Center: Restrooms, Beautiful building, restrooms, parking.

7 Longwood Park: Beautiful lake views, good parking, restrooms, picnic area.

8 OK to sit in Suntrust gazebo at Brenau and Washington St. to paint any view.

9 Houses on Green Street from post office to civic center. Ask permission before painting on lawns.

10 Midtown/train depot/ old industrial area. Please ask permission before painting on private property.

11 Downtown square/any view. Street parking, shops, restaurants, restrooms.

12 Train park and poultry park (across street from train): Street parking, old train on one side of street and chicken and statue on other side.

Other options (not shown on map):

- **Aqualand Marina** on Lake Lanier. Please let Quinlan know you plan on painting here to make reservations. 6800 Lights Ferry Rd. Flowery Branch Phone: (770) 967-6811 <http://www.flagshipmarinas.com/marinas/aqualand/>
- **All other public parks**, such as Wilshire Trails
- **Martha Hope Cabin** (behind the Civic Center)
