

Amanda Lovett: Supply list

**The materials listed below are suggestions, simply be sure and have enough supplies that you feel you can get the most out of the class. Do No feel the need to buy everything on this list
Email or call for questions amanda@amandalovett.com or Call me at 770-826-0120**

A small sketchbook to workout designs and compositions/ Drawing pencil or a pen.

Suggested PALETTE COLORS: As long as you have a **Blue, Red, Yellow, White** and any others you like or are comfortable with you are fine.

- Cadmium Lemon, Cadmium Yellow Light, or equivalent
- Cadmium Red Light or Medium or equivalent (Rembrandt Permanent Red is a nice substitute)
- Alizarin Crimson Permanent , Quinacridone Magenta or Quinacridone Red
- Ultramarine Blue and/or Cobalt
- Titanium White and/or Warm white

... some additional colors I find useful

- Viridian
- Gold Ochre, Cadmium Yellow or Indian Yellow
- Transparent Red Oxide
- Kings Blue

CANVAS: Any Canvas is fine, I would **suggest** no smaller than 8 x 10 and no larger than 16 x 20 please have at least one per day

If you like Panels Centurion **Deluxe** Oil Primed Linen Panels from Jerry's Artarama are very nice.

<http://www.jerrysartarama.com/centurion-deluxe-oil-primed-linen-panels>

They also make a nice stretched canvas

BRUSHES: (The below are **suggestions** to choose from but I will say quality brushes are one of your most important tools.)

- **Rosemary Brush Co:** <http://www.rosemaryandco.com> Ivory long flats 6,8,10
They do have a starter set in my name, if you decide to order just type my name in the search bar on her page.
- Bristles ranging from 6 to 12. Bright, Flat or Filbert, *whichever you prefer.*
I enjoy **ROBERT SIMMONS SIGNET** Optional – **Sable or Mongoose**
- **Gray Matter Series 9812 for oils** *are also very Nice.*
- **Creative Mark Qualita Golden Taklon** From Jerry's Artarama are nice for finishing touches

EASELS: In the Studio any easel that works for you is fine. I use a Pochade box for convenience in and outside when I am painting anywhere other than my studio

Below are some good choices, but there are several on the market. Don't buy one just for this workshop I just wanted you to have the info. (There are some easels available in the studio)

Easy-L easel :from Art Work Essentials: 949-856-2196 www.artworkessentials.com *Please tell Peggy I sent you*

Open Box M Pochade: www.openboxm.com Take 6 to 8 weeks to order

<https://newwaveart.com/collections/u-go-plein-air-anywhere-pochade-boxes> - [Binders](#) in Atlanta Stocks these as well if you would like to look at one. *Please Tell Howard I sent you.*

<https://www.edgeprogear.com/>

Palette Knife (for mixing paints) Binders has my favorite **RGM Soft Grip Painting Knife - Blue Handle** I am not sure of the number but this is what it looks like (The shape is important I do not recommend the tiny one) **notice the shape of the blade, I am not a fan of the smallest one**

Palette: When in the studio, the **Masterson blue palette box** with glass and a mid-gray backing underneath is very useful. (Unless you have a Pochade Box)

Turpenoid (Oderless) or Gambisol (Nothing else will be allowed in the class room)

Turpenoid container: Airtight Cap Brush Washer (Any size) **Holbein** Portable Brush Washer is well worth the extra money, the cheaper ones tend to leak. *(I am NOT a fan of the Silicoil Brush Cleaner Tank)*

Paint medium: You do not have to use any medium if you prefer not to. Gamblin has several mediums I like. Mineral spirits is not a medium.

Other Suggestions: Paper towels, pencils and pens for sketching, eraser, trash bags, Sketchbook and or Notepad to take notes, Q-tips (The cheaper off brands work best because they are not so soft and fuzzy) , camera or phone, apron, a pair of pliers, razor scraper to remove paint from palette box glass and rubber gloves.

Local Art Supplies:

Binders Art Supply, Atlanta: www.bindersart.com They are working on a Student list for me with an auto 10% discount but it needs some corrections so if its not on this list I am not recommending it.
