The Quinlan Visual Arts Center thanks you for your kind support in the form of your donation or reduced commission during our primary fundraiser. As this is an auction, all suggested opening bids are a starting point and should begin at an amount lower than retail price. These suggestions will be reviewed and adjusted at the discretion of the executive director. Failure to complete any portion of this form may result in the removal of the piece from the auction. The Quinlan Visual Arts Center is not responsible for the long-term storage of art work. Art work that has not been sold should be picked up within thirty (30) days following the auction date or it will become the exclusive property of the Quinlan Visual Arts Center (Quinlan Arts Inc.), at that time, this contract will be null and void and work will be sold at the discretion of the executive director in a subsequent auction or fundraising event. **You may email this Art Entry forms & CV or current biography to info@qvac.org.**

We are currently preparing for our **40th Annual GALA Fine Art Auction, Saturday, March 3, 2018**. GALA is the Quinlan's signature fundraiser and sells out every year to discerning art collectors of Georgia. Its success significantly impacts the Center's ability to offer premier arts programming to our community.

We are excited about this year to be honoring Artists Patrick and Jill McGannon as our 2018 Artist Guests of Honor. Again this year, a full color catalog selection of live auction items for GALA 2018 will be mailed to ticket holders prior to the event, and all art entries will be juried with awards given.

The deadline for framed, ready to hang artwork is between January 9 – 12, 2018 (for catalog consideration.) Deadline to participate in the auction is February 20.

A panel of artists, curators and collectors will review GALA 2018 submissions and accept 100 pieces for the auction. It is suggested that artists that would like to be featured in the auction submit their best work and those that want the opportunity for catalog consideration submit by (Jan 12) to ensure that their work has the opportunity to be viewed by the entire panel. Panelists do consider the following in making their selection: overall artistic excellence, retail price point and whether the artist has selected a percentage of the sale or a greater donation have been made to the organization.

Artists are our most significant supporters, and we especially value your participation. Directing 100% of revenues from the sale of your artwork to the 2018 Quinlan GALA will truly make a huge impact on the event's bottom line. Artists who make a 100% donation will receive a complimentary one-year Quinlan membership to keep or give to a friend, and you will receive admission to Collector's Night on Thursday, March 2nd. As well, works may be consigned and you can choose to receive between 10% and 40% of the sale. Art Entry Forms are attached.

With your valuable contribution, the Quinlan will continue to promote the arts, making 2018 a truly exceptional year for our community. We thank you.

Sincerely,

Amanda K. McClure

Executive Director
