**ARTIST'S STATEMENT:** Art is part, if not whole, of who I am. It is my oxygen- it's why I'm eager to awaken from my warm bed to face painting outside on a freezing day. It takes me out of my comfort zone and challenges me on a daily basis. It is my friend and at times, a frustrating foe. It is the spouse that I would never divorce. My undying passion does not get old and will remain with me until my last breath.
