

In Memoriam

Lynda Stewart

DECEMBER 8, 1938 ~ OCTOBER 7, 2018

After spending forty years as a Registered Nurse and Army wife, while putting her husband through law school, and having children and grand children all while serving as a community volunteer, Lynda started art classes at the Quinlan Visual Art Center to pursue her love of art.

With no place to paint at home, she got her chance to join the Blue Angel Studio Artists in 2003.

Lynda's instructors have included Roseta Santiago, David Leffel, Gregg Kreutz, Bill Davidson, Ann Templeton, Dee Beard Dean, Nancy Dusenberry, Pris Buttler and Ann Goble.
